

What is Point Wild?

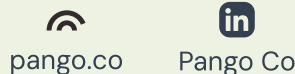

Point Wild exists to protect people and businesses from the ever-evolving threats of the digital world. At the heart of our approach is our unified product platform, our plug-and-play technology engine that powers our portfolio of products. Our platform is built upon more than 20 years

of experience protecting 25 million users and enhanced every day by technologists dedicated to staying one step ahead of cyber criminals. By combining our best-in-class technology with our industry-leading brands, Point Wild is leading the cybersecurity industry forward.

Our unified product platform enables Point Wild to deliver comprehensive, vertically integrated cyber solutions that adapt to diverse use cases.

Helping business to scale revenue with industry-leading white-labeled cybersecurity solutions

The leading provider of cyber, data breach, and privacy response solutions

Award-winning class action settlement administrator for legal, financial and corporate administration services
